Pay \$35.83/month for 6 months, interest-free upon approval for the Amazon Rewards Visa Card

- Ultra Coolant provides up to 8000 hours of lubricant run time, longer life than most polyalpha-olefins PAOs, and as much as 8 times the life of conventional lubricants
- Non-foaming performance significantly lowers carryover as compared to conventional and other synthetic fluids
- Varnish-free operation saves energy, and extends the reliability and life of your system
- 10% higher thermal conductivity extends compressor life and improves efficiency
- High-flash point of 71°C 520°F, higher than most poly-alphaolefins PAOs, diesters and other synthetic lubricants, enhances operational safety
- Advanced cooling enables compressors to run cooler and more efficiently, even in high-ambient temperature environments
- Excellent biodegradability and recyclability
- Included components: Unit, Instruction Guide
