About this item

- **HIGH QUALITY HAND TOOL:** The 3-foot manhole hook was designed with superior strength in mind. It is built with 5/8" hex alloy steel that is heat treated for extra durability. The rigid shank resists bending and flexing. The forged tip is perfect for inserting into small openings.
- **SINGLE HOOK:** The single hook end is a general purpose tool that can handle various lifting jobs. These hard to reach lifting jobs include opening steel grates, lifting septic tank lids, and moving machinery. The special rocker head gives you extra leverage for popping open even the most difficult covers.
- **HEAVY DUTY HANDLE:** This manhole cover hook puller tool features an oversized D-shaped handle to accommodate gloved hands. The Top Popper's popular rotated handle improves ergonomics and does not lay flat on the ground. The bright blue color makes this handy tool easy to see amongst your other
