GENERAL INFORMATION AND REQUIREMENTS

1. Submit the completed application and all plans to the Department of Building, Planning and Development office.
2. The submission deadline is 4:00 p.m. local time on any Monday, which determines the review date for a project.
3. Contact all other agencies that may have utilities in or other jurisdictions over the property in this application.
4. See the information sheet for construction and architectural plans for the # of required plans.
5. Fire-suppression plans: Three (3) complete sets of full-size plans (Building, Water, and Fire Department review these plans).
