About this item

- **ADJUSTABLE** – The Tow & Stow Adjustable Ball Mount Trailer Hitch is adjustable in height for level towing. Simply pull the two stainless steel adjustment pins to raise or lower the hitch to the ideal position for your vehicle and trailer combination. Easily rotate the ball assembly to swap between ball sizes. And, when you're done towing, stow the hitch under your vehicle to avoid striking your shin or the garage door.
- **STOWABLE & SECURE**: Keep your hitch handy but out of the way. When you're not towing, stow the Tow & Stow Adjustable Ball Mount right where you'll need it next. Just rotate the hitch under the vehicle, replace the pins, and your Tow & Stow is tucked safely away from your shins and garage door. And, with the Tow & Stow's anti-theft design, once you lock the hitch in most receivers, the adjustable arm of the hitch cannot be removed.
- **RUGGED & RESILIENT** - The Tow & Stow Adjustable Ball Mount Trailer Hitch is built to last thanks to its high-strength American-made steel construction and corrosion-resistant finish. Two layers of protection—an e-coat and ironclad black powder coat—create a durable, long-lasting coating that can withstand the toughest conditions. Manufactured to haul equipment to the jobsite all week and launch the boat each weekend, the Tow & Stow was made to be as hardworking and versatile as you are.
- **LIFETIME WARRANTY** – The Tow & Stow Adjustable Ball Mount Trailer Hitch is backed by B&W's Limited Lifetime Warranty. We are confident that our products are made without design or quality defects. However, if you believe that one of our products doesn't live up to our standards, we would make it right with you, our customer. If your product suffers damage because of an accident or misuse on your part, we will work to get you back on the road with as little cost and hassle to you as possible.
- **AMERICAN MADE**—The Tow & Stow Adjustable Ball Mount Trailer Hitch is manufactured and assembled completely in Humboldt, Kansas, where we can oversee every detail. B&W's employee-owners stand behind each product we build and are proud of the Midwest values that have shaped our company into what it is today. We make only the best hitches and towing accessories so that you can focus on the road ahead and never worry about what's behind.
