Terms:

1. Freight to jobsite is include in the above price.
2. Bonding and permits are not included in above price. Applicable bonding rates will be added to the above costs, and permits are the responsibility of the general contractor.
3. Stamped PE drawings are not included in above pricing.
4. Freight costs are based on shipping entire order in one shipment using standard LTL carriers. All partial shipments or express freight carriers, requested by the customer, are an extra cost to this quotation. Also, if fuel costs continue to increase, there is the potential for fuel surcharges that will reflect the change in fuel costs from quote date to ship date.
5. This quotation is firm for acceptance for (30) days, and is based on receiving a mutually acceptable contract within this time frame.
6. Hoist & crane materials in this quotation are based on current pricing. Prices are firm, provided shipment can be made within six months from the date of this quotation. Materials shipped after 6 months from the date of this quotation will be subject to potential escalation costs, which will be based directly on any increased material or freight costs that we incur.
7. This quotation is based on straight time rates, Monday through Friday. 8AM to 4:30PM, and
