

We are in receipt of the City of Auburn's notification letter informing us of the upcoming Plan Commission public hearing; and of the proposed zoning designations for our properties located at County Roads 48 and 19, DeKalb County, Indiana.

We understand that our property is under the jurisdiction of the Extra-Territorial Jurisdiction of the City of Auburn, Indiana.

It is our desire to market our land for industrial use and to that end we are in favor of the proposed zoning designation of I-1/Light Industrial-Heavy Commercial Zoning District.

Thank you.
