RE: Downtown Sidewalk Improvements Project – Material Purchase

To BOW members:

The attached quote is being submitted for approval and acceptance by the Board of Public Works for the next regularly scheduled meeting on March 24, 2022.

The City of Auburn currently has undertaken a project to improve the public sidewalks in downtown, funded by the Auburn Redevelopment Commission. Phase 1 of the project is scheduled to be completed in 2022. Included with the project is the installation of accessories (litter receptacles, planters, benches, tree grates, bicycle racks, etc.), to be purchased by the City, and installed by project contractor (to be awarded at a later date).

According to IC 5-22-10, we are requesting authorization to move forward with purchasing the following items, as they are in-stock, and are available at substantial discount.:

Bricks – Summers Lawnscape Maint. Inc., - \$17,511.00

Please contact me with any questions you might have, thank you.

Sincerely,

Daryl K. McConnell, Civil City Engineer
Municipal City of Auburn
260-925-8264 ext. 1401
